THE 1975 DEDICATION

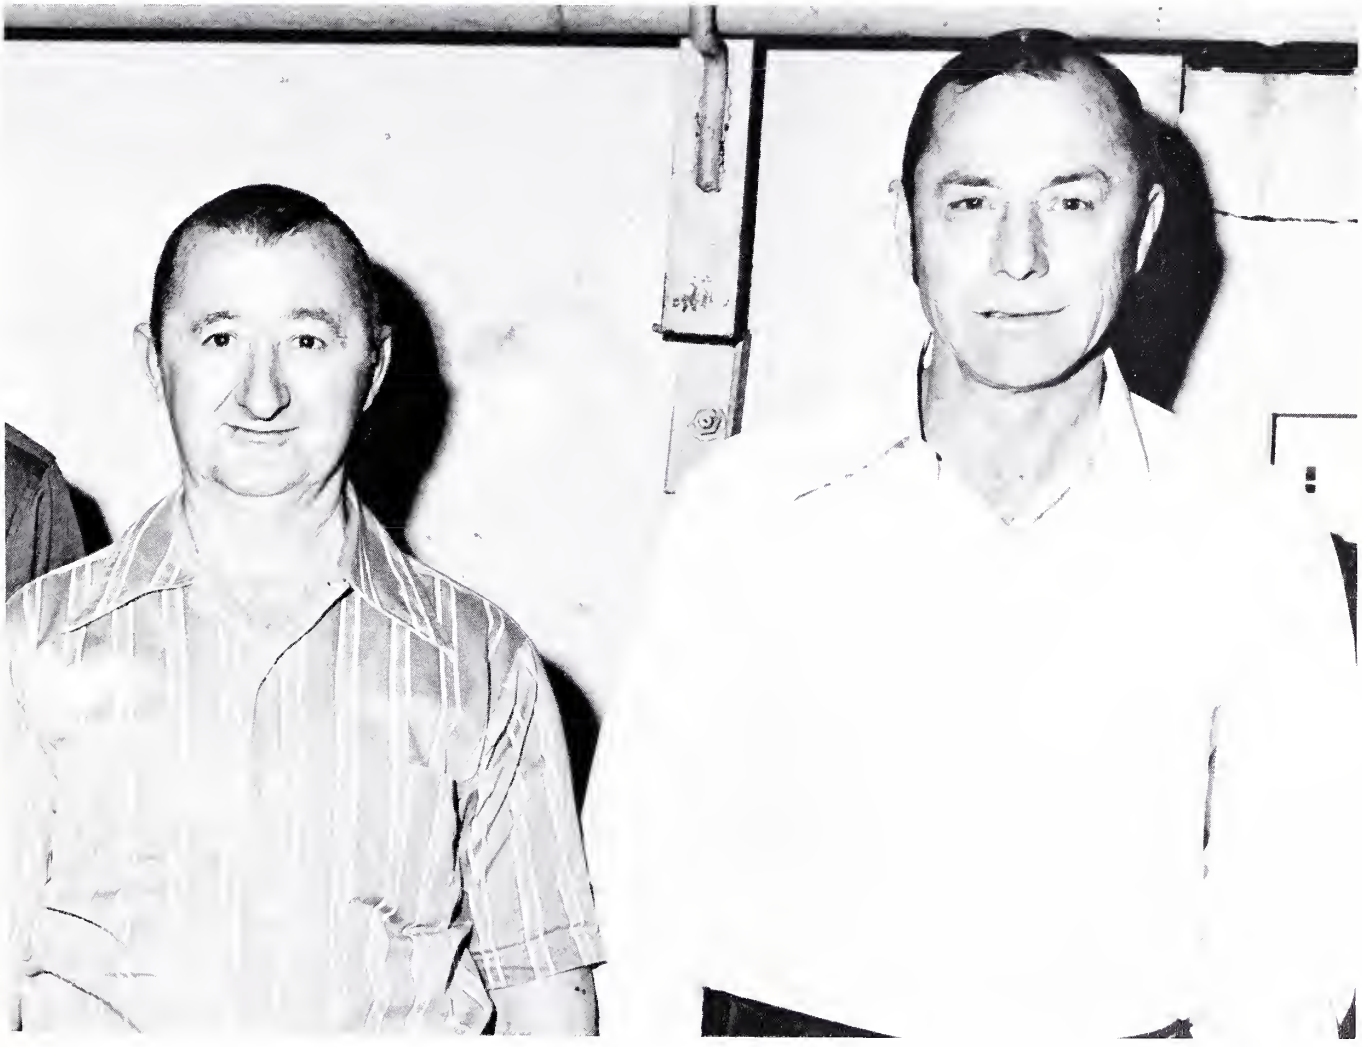

Grat Wimmer

This year's edition of THE PEAK is proudly dedicated to Grat Wimmer and Jack Davis. Along with a keen sense of humor, these two men have continually had a pleasant and understanding nature. They have constantly been available when called upon to perform tasks for the administration, teachers, and students. A special tribute is given to "Grat and Jack" for their increasing service in their many years at Tazewell High School.

In Memoriam

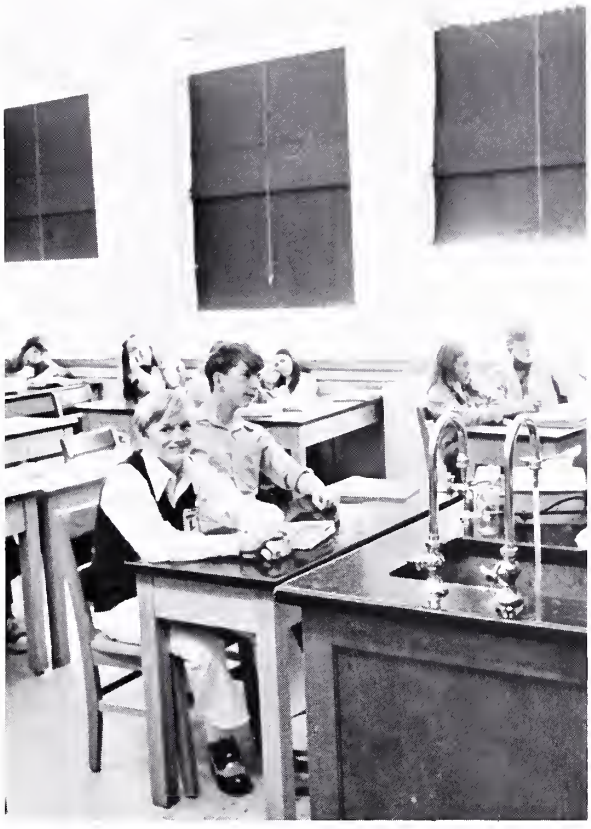

Ellis M. Fields
Principal, Tazewell High School
1968—1975

Music, when soft voices die,
Vibrates in the memory—
Odors, when sweet violets sicken,
Live within the sense they quicken.

Rose leaves, when the rose is dead,
Are heap'd for the beloved's bed
And so thy thoughts, when thou art gone,
Love itself shall slumber on.

PERCY BYSSHE SHELLEY

Memories of Reflection

Tazewell High School holds delightful and unforgettable memories for all of us. The 1974-75 Peak presents our many educational, athletic, and social activities.

The learning acquired in the classroom, the influence received from acquaintances, administrators and faculty, and the honors bestowed on many of us serve as preparation for our adult roles in society. The academic knowledge obtained during our high school days will assist us in the years to come.

We are greatly enhanced by the body development and aesthetic beauty attained in our physical activities. These activities include not only a well developed physical education program, but also a wide range of athletic programs.

Our high school years would not be complete without our involvement in a variety of social activities. These activities, including clubs and musical programs, help prepare us as well-rounded individuals.

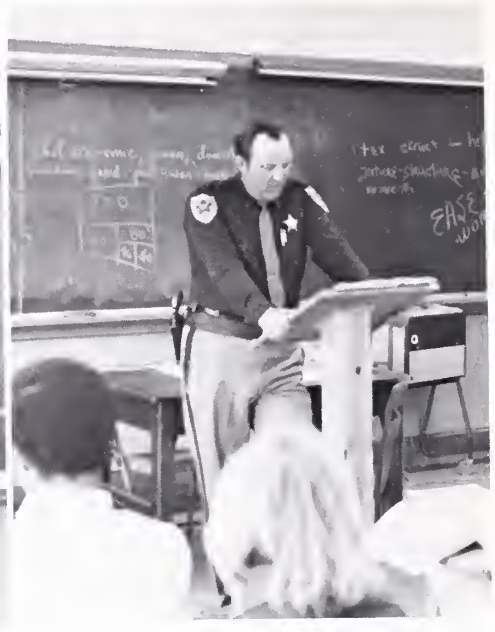

These events will be remembered throughout our lives. As we daydream in years to come, this annual will assist us in keeping alive the friendships and other treasures of our years at T.H.S.

The Western Civilization class of Tazewell High School received a grant for the Poet-in-the Schools program during the year 1974-75. The two phase project was incorporated in the class plans for the year by developing and in depth study of Tazewell County History and a one-week poetry seminar. The research for the history included several field trips by the class, numerous lectures and class reports. The quiet poet for the poetry seminar was Dr. R. Baird Shuman, professor of Education at Duke University, who worked with many individuals and presented public lectures on poetry during the week. The enthusiasm and excitement of the "poet project was widespread and has had a lasting effect on the English program at Tazewell.

Achievements

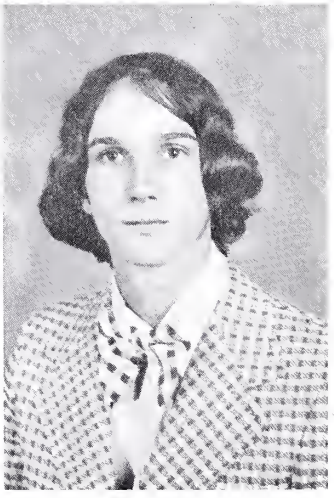

Valedictorian—
Sandy Shepard

Salutatorian—
Jenny Surface

All students at Tazewell High School have their yearly grades averaged according to the National Association of Secondary School Principals plan. The grades for Seniors are again averaged at the end of the first semester of the senior year and the GPA (grade point average) is determined at this time on the 4-point scale. Many students often have the same GPA, although among the upper 5% there is usually a fractional difference so that two emerge as Valedictorian and Salutatorian. These are only two of the academic achievements for which Tazewell High School students strive.

The Governor's Conference for the Gifted is designed for rising juniors and seniors who are gifted and/or talented in the fine arts, the humanities, the natural and physical sciences, and/or history and social sciences.

VOICE OF DEMOCRACY

P. Harman, B. Hankins, M. Hankins, M. Rodriquez, H. Brown, R. Heldreth, M. Kinder, E. Nash, P. Ramey, D. Saunders, R. Conn.

These 10th, 11th, and 12th grade students were eligible to interpret (in original essays) the theme, "My Responsibility as a Citizen." The best essays, from three to five minutes in length, were then read to a panel of local judges. These judges determined which essay from Tazewell High should be sent to the district contest. The district essays, in turn, were sent to the state contest.

WINNERS: D. Saunders, 1st place; M. Hankins, 2nd place; E. Nash, 3rd place.

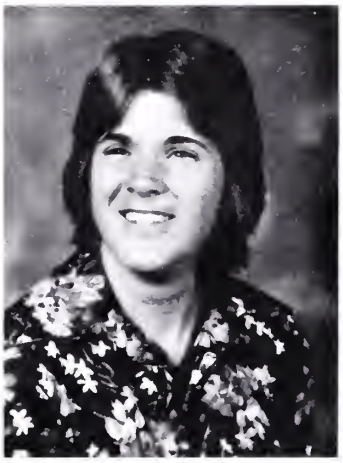

David Saunders won second place honors in the state Voice of Democracy contest and first place in the district. David, grandson of Mr. & Mrs. Jim Higginbotham of Tazewell, became eligible for the state contest by winning both the local and district contests. The local contest held on Dec. 5, 1974, as sponsored by the Barnes-Beavers Post No. 7136 of the Veterans of Foreign Wars. David's original essary was entitled "My Responsibility as a Citizen."

YOUTH IN GOVERNMENT

Many students from all over the county were selected to take part in the first, Youth-In-Government Day in Tazewell County. The students were selected by their history teachers to represent their class. The students were juniors and seniors and were assigned a county official to work with for half-a-day. After this the students enjoyed a luncheon at the American Legion Building in Tazewell. Each student and county official enjoyed the day and wished it could have lasted longer. The purpose of Youth-In-Government Day was for the students to learn more about their county officials and the work they do. After the day was over each student brought back to class reports of his experience. Youth- In-Government Day will now be held each year. Tazewell High School had eight participants and four alternatives.

PARTICIPANTS: M. Roberts, D. Butcher, M. Schrader, K. Kinder, J. Angles, R. Conn, D. Harman, and R. Penland.

Seven Tazewell High School students were honored by representing our school at Virginia Boys' – Girls' State in June of 1974. The girls attended Longwood College, while the boys attended Lynchburg College. They studied Virginia state government by setting up a model city and state; they participated both as elected and appointed officials. But most important they put the fundamentals that they learned about out government into practice.

ADMINISTRATION

Mr. Fields
Principal

We are rushing headlong into the last quarter of the Twentieth Century – In fact, a great part of your lifetime will be spent in the Twenty-First Century. It would seem, we need to begin developing a broad goal for education, so that each individual can function better in our post-technological society. Students must not be allowed to vegetate through four years of school. They should be required to learn a basic core of knowledge and encouraged to branch out into their own areas of interest. All students are capable of learning some things and some are capable of learning many things. If we expect to adequately prepare our youths to cope with their future – then we must provide them with opportunities to make educational choices.

Best wishes to the class of "75" and may God Bless You.

MOTTO: This is the beginning of what will follow.

COLORS: Red and Blue.

FLOWER: White Rose.

"This is the beginning of what will follow."

Our class motto is significant of the class we are and have been. It is significant of our pride, determination, and hope for the future.

We are proud we are the class of '75–proud that we have been a class at Tazewell High School, proud that we have served her well, and proud that we have fulfilled life and the expectations that people have of us.

We are also determined–determined that we become successful, determined that we meet the goals we have set for ourselves, and determined to become useful citizens.

Besides our pride and determination we have hope–hope that we will live our lives to their fullest, hope that we will obtain all we want, and hope that this is the beginning of what will follow.

SOPHOMORES

Realizing that our today's are soon yesterday's, we the Sophomore Class want to buy up our time wisely. To DREAM — Yes, for "where there is no vision the people perish", but also to ACT TODAY as we may wish we had acted in the future when we pause to look back at our past.

FRESHMEN

OFFICERS: Roger Hoops – Pres., Kelly Buskell – V. Pres., Emily Dean – Sec., Kay Neel – Treas., Mrs. Fisher – Sponsor.

Class of 1978

COLOR: Green and gold

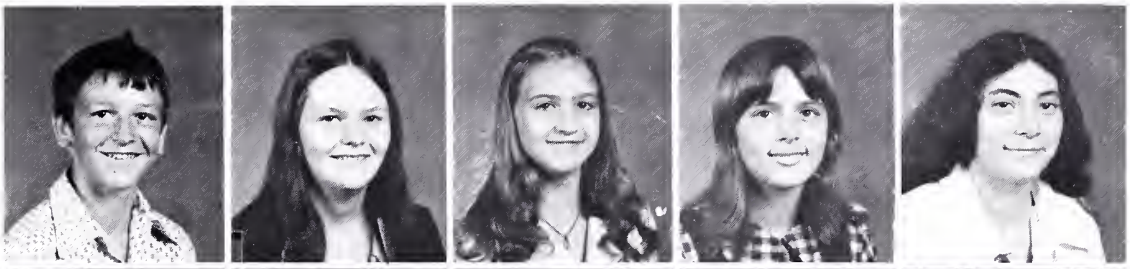

FLOWER: Yellow mum

MOTTO: Yesterday is already a dream and tomorrow is only a vision; but today well-lived makes every yesterday a dream and every tomorrow a vision of hope.

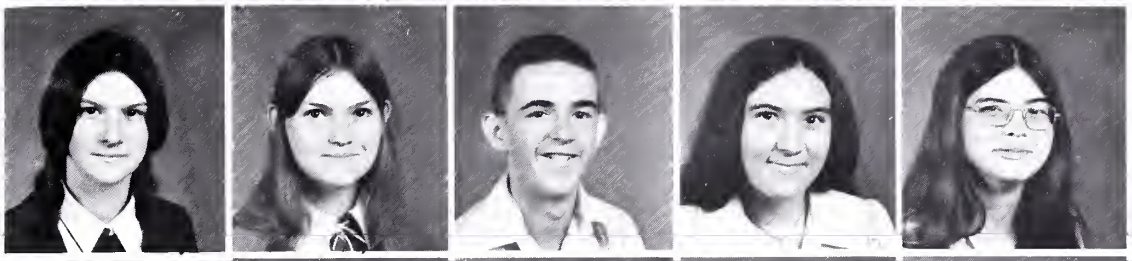

In August 1974, the class of 1978 entered Tazewell High School, a place familiar to some but foreign to others. Elected to lead them in their experiences were; Roger Hoops, Kelly Buskell, Emily Dean, and Kay Neel. Our sponsor was Mrs. Fisher. The freshmen look forward to becoming fully involved in the academic and extracurricular life of the school in the coming years.

S.C.A.

The Student Cooperative Association serves as the governing body for the students at Tazewell High School. The S.C.A. collaborates with the Administration, the faculty, and the students in trying to establish innovations for the school. One of the many functions of the S.C.A. is to grant charters for the creation of clubs. On the following pages are clubs that serve a useful purpose to the Community while offering the students a chance to participate in extra-curricular activities.
